

Flexy Cups with Single Shore – 1.5 Bellows T - Yellow Line

15 Series

Vacuum Cup Properties

Material	Color	Temp. Range	Shore Hardness
Polyurethane	Yellow	5°– 50°C	40° Shore A

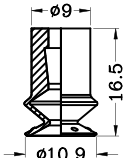

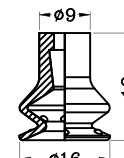

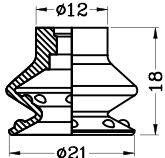

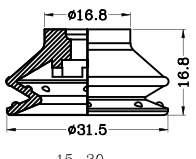

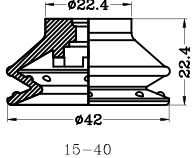

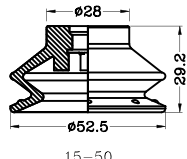

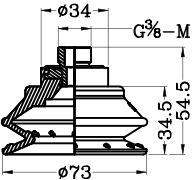

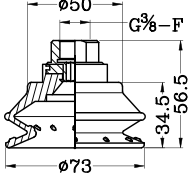

15 Series - Flexy Cups 1.5 Bellow T- Yellow Line

- Our 15 Series “**Flexy T - Yellow Line**” you will find in the sizes from Ø 10 mm to Ø 70 mm .
- Normally our polyurethane vacuum cups will last 3-4 times longer than the cups made of rubber or other vulcanized materials. This means less “down time” but more “turn over” with increased productivity.
- Key characteristics are good resilience or flexibility, high tensile strength with high wear and tear resistance. Comparing to other famous brand names, our product quality is comparable or even better
- The 1.5 T-yellow families is good in areas with slightly convex surfaces, compensates up to a certain degree for height differences and separation of thin materials.

15 Series - Flexy Cups 1.5 Bellow T - Yellow Line
